

## Is Your Insurance Changing in 2024?

Whether your insurance is staying the same or changing, it's important to verify your insurance carrier and type of plan has coverage for ABA services in 2024. A client insurance form will be provided to each family. This form will cover all necessary information pertaining to your family's 2024 insurance plans. Please make sure it is fully completed, signed, and have a copy of the front and back of your insurance card attached, and returned to the Gateway no later than Friday, **December 15th, 2023**. It takes time for providers and insurance companies to make all necessary adjustments if plans and policies change, so please submit your completed form as soon as possible. If you have questions or concerns in regards to insurance changes and open enrollment, please call Gateway at (248) 712-4266 and ask for one of our billing specialists or email [insurance@gatewaypediatrictherapy.com](mailto:insurance@gatewaypediatrictherapy.com)

## Around the Clinics

# What's Your Favorite Tradition Around the Holidays?

**Jessica Brest**  
Internal Development Senior Manager

“My favorite holiday tradition is spending time with my cousins after stuffing ourselves full of Thanksgiving dinner, and looking at Black Friday ads while circling what we wanted to add to our Christmas lists. After that, we'd go down to the basement to pull an all-nighter, keeping ourselves up with scary movies (weird, I know lol) until about 3/4am, when we would wake up our aunts and go black friday shopping!”

“One of my favorite holiday traditions is celebrating Christmas Eve with my in-laws. They are of Danish heritage and follow a few traditions for Christmas. One tradition that I am fond of involves a special rice pudding made from a recipe that has been passed down for generations. Everyone gets a serving before the main meal. One of the bowls has a single almond mixed in and hidden from view. The family will sit around the table guessing who has the almond in their mouth until it is later revealed. The winner has bragging rights for the year and gets a funny door prize. It is a fun, light hearted tradition that the entire family enjoys”.

**Everett James**  
Human Resources Director

**Lainey S. Rubin-Safran**  
Regional Clinical Director

“As a child I attended a sleepaway summer camp and made a group of lifelong friends. Some of us went to school together but otherwise camp was our only connection and the only guaranteed time we would see each other every year; we have wanted to maintain that connection despite life taking everyone on different paths. Every year around the holidays, we have 2 non-negotiable group activities: Leo's Coney Island and the Franklin Cider Mill! We look forward to getting together every year and getting to meet the newest members of our group - significant others, children, and pets! I hope our tradition will continue for years to come!”
