Coffee with the CEO

From the moment I stepped foot in each location, I was greeted with such warmth and enthusiasm. It has been such a joy to reconnect with familiar faces and to meet new team members- all of whom have engaged in thoughtful conversations about our organization and brought fresh ideas for the future. I am grateful for the opportunity to see firsthand the incredible work being done at each site and to witness the positive impact we are making in our communities. Your hard work and commitment do not go unnoticed and I am proud to lead such a talented and dedicated team. Thank you all for your continued support and dedication - you are the heartbeat of this organization, and I am honored to work alongside you.
